EXPERIENCE

Web & Print Designer, Freelance

Sept. 2009-Present

- Currently working to build my freelance portfolio by focusing on web design for local businesses and organizations.
- Create product color studies and graphic decals for the Buzz Bee Toy company.

Manager, Design

Clear Channel Online Music & Radio

Oct. 2007-Jan. 2009

- Worked directly with project managers from initial site concept through final design approval, managing multiple projects in various stages of development simultaneously.
- Optimized designs for usability, sales requirements, local market demand, and production/development time.
- Managed quality of promotional graphics created by production team.
- Evaluated and refined design process and workflow system for Design Department.
- Lead weekly Design Department project critique meetings.

Interactive Producer

Clear Channel Online Music & Radio

Nov. 2004-Oct. 2007

- Designed layouts and skins for Clear Channel national web content sections viewed by millions of users each week.
- Designed & developed interactive Flash applications, ad animations, and presentations.
- Created logos and branding for national programs, designed print materials and online promotional graphics.
